SNACK REMINDER

Nov 4

Julius

Nov. 11

Varia

Nov. 18

Logan

Dec. 2

Tyler

MONTESSORI MINDFULNESS

Control of error – Montessori materials are designed so that the child receives instant feedback about her progress as she works, allowing her to recognize, correct, and learn from an error without adult assistance. Putting control of the activity in the child's hands strengthens her self-esteem and self-motivation as well as her learning.
