Bossy E (Reading Strategies) (1st)

Triangle Studies (sides, angles)

Adjectives

Topographic Maps

Aerial View

Writing a Narrative (3rd)

Novel Studies (2nd & 3rd)

SNACK REMINDER

Feb. 3

Maddie

Feb. 10

Savvy

Feb. 18

Gabriel

Feb. 24

Raphael

MONTESSORI MINDFULNESS

Sensitive period – A critical time during human development when the child is biologically ready and receptive to acquiring a specific skill or ability—such as the use of language or a sense of order—and is therefore particularly sensitive to stimuli that promote the development of that skill. A Montessori teacher prepares the environment to meet the developmental needs of each sensitive period.
