

Hello Heron Families,

Please read below for important updates on our classroom and school happenings.

Communication Folders

In the blue communication folders today, you will find some important information in the "To Keep Home" side.

- FSA Scores from last school year
- Scholastic Book Orders

Please be diligent in responding to your child in our Home Journals every night. The students spend each afternoon thinking of you and writing to you, so please show your support by replying in kind.

Every Friday we ask that you review your child's Work Plan and sign it so you can be up to date on what they are doing each week in class.

Parent Education Night 9.21

Please mark your calendars for our first Parent Education Night of the year! Tuesday, September 21st from 5:45-6:45pm, I will be hosting a Google Meet to go over important concepts we want to empower our children with this year. Topics include:

- Preparing for the day
- Independence in the Upper Elementary Level
- The power of choice
- Grace and Courtesy, what we expect
- Volunteer Opportunities for Families
- Q&A

If there are any topics that you wish for me to cover, please be sure to send me an email and I will try to go over any requests I receive! This is for you all, if your suggestions are better than what I have planned, I want to be flexible and give you what you want 😊

Peace Day Parade

We invite all our families to join us for a Montessori Peace Day Parade together with our Sister School, The Montessori Children's School, to honor International Day of Peace. We will begin our march at 9:00am, Tuesday, September 21st, and walk together to Bayview Park. Once there, the two schools will share their intentions for peace and exchange symbols of peace. To support everyone's health and safety, both schools will implement physical distancing and masking at this event. We plan to return to school by 10:00am.

Peace March 9.21

Next Tuesday May Sands Montessori and our sister school The Children's School of Key West will be participating in the International Day of Peace with a march from our school to Bayview Park.

Thank you so much for all your support and communication, it really shows when parents are involved with their children.
