SPCA service project

Upper Elementary and Early Secondary students will have the opportunity to participate in a field trip/service project to the Key West SPCA. For interested students, they must bring one of the following donation items by February 4th as their "ticket" to participate. Students who do not wish to participate will not be required to attend (but we hope to have more opportunities for service projects this semester!)The date for the field trip will be determined after the donation drive is complete.

The SPCA has asked for the following items:

- Puppy pads
- Canned cat food (pate style)
- Cat scratchers
- Soft plush dog toys (no rope toys or rawhides)
- Low-calorie dog treats

Another needed item is fleece fabric to make dog toys in class. This could be in the form of an old blanket or a large cut of bulk fabric.

If you have questions regarding this donation drive or service project, please contact Ms. Laura at Laura.Hulec@keysschools.com. We would also love to hear from families who have other volunteer opportunities in the community. Please let us know if you have a contact that could accommodate a service project for our students!

African Cultural Art Event

Tuesday, February 22, 1 pm at May Sands Montessori School

MSMS parents, guardians & family members are invited to attend A Land Promised, a showcase of African music, art & culture to celebrate Black History Month. Since last Fall, Upper El Assistant, Marie Jones, has engaged our students in our new African Arts & Culture Enrichment Program funded by the Cornelia T Bailey Foundation. Join us on campus and enjoy the presentation of everything your students have learned.

Science materials needed

Thank you so much Ms.Karthi for donating some of the supplies for our lab! I am still in need of the spot plates for the lab in mid-February.
