Hello Blue Tang parents!

Upcoming events:

26th All-school meeting at 6:00 under the Chickee

28th Half day and pizza Friday

For 8th grade parents

Key West High School is having an open house on January 27th, 5:30 -6:30. This will give you and your student the ability to see the campus and hear what the school has to offer. By next week they will be able to look through class options and chose some classes for February 1st. This is when the counselors from the high school will help them make a final schedule for next year. So exciting!!

If you are looking into other options for high school please feel free to let me know so they don't have to attend the meeting with the KWHS counselors.

SPCA service project

Upper Elementary and Early Secondary students will have the opportunity to participate in a field trip/service project to the Key West SPCA. For interested students, they must bring one of the following donation items by February 4th as their "ticket" to participate. Students who do not wish to participate will not be required to attend (but we hope to have more opportunities for service projects this semester!)The date for the field trip will be determined after the donation drive is complete.

The SPCA has asked for the following items:

- Puppy pads
- Canned cat food (pate style)
- Cat scratchers
- Soft plush dog toys (no rope toys or rawhides)
- Low-calorie dog treats

Another needed item is fleece fabric to make dog toys in class. This could be in the form of an old blanket or a large cut of bulk fabric.

If you have questions regarding this donation drive or service project, please contact Ms. Laura at Laura.Hulec@keysschools.com. We would also love to hear from families who have other volunteer opportunities in the community. Please let us know if you have a contact that could accommodate a service project for our students!

Let us know if you have any questions,
Blue Tang Team
