Hello Sea Turtle Families,

Once again, my work email gave me trouble over the weekend, and I was also out of town, so I was unable to send out my newsletter in a timely manner. Thank you for understanding!

We had quite an eventful schedule last week and just to give you a brief overview, the class worked diligently across all subjects, but focused closely on:

Culture - we read Creation Stories (origin stories about how life was created based on cultural beliefs) and as a class discussed the similarities and differences between them using a Venn diagram.

*Every week we learn a little something more about Latin Heritage Month and this week we learned the basic steps for Salsa Dancing! Ask your little one to demonstrate and play, "Vivir Mi Vida," by Marc Anthony - who's got the moves now?

Geometry - identifying and labeling different types of Triangles.

Botany - started our nursery and planted Marigolds and Blood Milkweeds for the class garden bed.

Science - introduced many types of Scientists and ended our Friday with a fun experiment. We questioned and tested what would happen if we combined milk, food coloring, and a drop of dish soap. What do you think?! Ask your child what they observed.

Picture Day Tomorrow!

Our class picture day is tomorrow, October 7th from 10am - 11am. Please have your child ready to have their photos taken upon arriving to school. If you would like to send a set of extra clothes for your child to change into after pictures are taken, that is perfectly fine. If your child is absent tomorrow, we will have a Make-up day for photos on Wednesday, October 20th from 9am-10am. There will be detailed information sent out to all families soon about how to order photos online. If you have any further questions about Picture Day, please reach out to Ms. Grace at grace.moon@keysschools.com / 305.293.1400 x 53426.

School-Wide Events

On **Thursday, October 14th 6pm-8pm** we invite all our friends and families to our **Monster Mash** dance party! Come dress up in a fun costume and enjoy this fun-filled family-event.

Professional Day!

No school Monday, October 11th. Enjoy some family time for the long weekend!

Wish List
