Subject: Sunday Sea Turtle Times!

Happy Easter! Happy Passover! Happy Sunday!

I hope everyone is feeling bright-eyed and bushy-tailed as we *Spring* closer and closer to the end of our school year! 🐢

A few highlights from the last couple of weeks include:

- We celebrated Lucas' 7th Walk Around the Sun! Cheers!
- Erupted our way into Earth Studies with a Volcano demonstration! (Video in class album)
- Learned about the Lunar Cycle! Some friends created their own moon phases using Oreo cookies (consumption afterschool); and others made Moon Phase necklaces.
- Zoology: After 9 Buttonwood Quail Eggs were incubated, 4 hatched, and only 1 survived! Well, that lucky little lonesome quail chick is now in the classroom and happily thriving!
- Botany: We are learning all about the importance of plants and what they need in order to grow so each grade level has been given a seed/s in ziplock bags to study and record their daily observations.

Field Trip

Tomorrow, Monday, April 18th we are taking our monthly class field trip to the Studios of Key West. It was originally for Tuesday and we had to make a last-minute change so please be sure to have your child bring in their permission slip, School Spirit Shirt, and a face-mask! I invite any parents interested in chaperoning - no need to let me know, just meet us at the Studios at 12:30pm! Thank you for your extra set of eyes! 👁️👁️

FSA MATH

3rd Year Parents Only - Your child has been preparing to take their Florida State Assessment in Math which will take place the first week in May. Feel free to continue to practice multiplication facts on a regular basis ;)

As always, please reach out to me if you have any questions or concerns.

Thank you for reading!

Have a wonderful week!
