**Subject:** The Seahorse Updates

Dear Seahorse Families,

Our second Parent-Teacher Conferences begin this Friday. Please sign up to save your spot. I sent the sign-up link last Friday, and here is the link again,

### Geo-Bee:

Our school holds a Geo-Bee fundraiser to raise money for our School/classroom supplies every year. The children learn and practice specific topic(s) in Geography as part of our Geo-Bee fundraiser.

This year, the Seahorses chose to focus on Cosmic Address. We are excited to locate our place in the Universe. The children have been introduced to the lesson, and we will practice the 'cosmic address' work using various lessons/books. Please check your child's communication folder for the Geo-Bee instruction sheet, Sponsorship Pledge form, and the Cosmic address lesson.

I am sending the Geo-Bee form a little late, as not stated on the form. We took some time to create an individual Cosmic Address lesson for all the Seahorse Students to have the lesson to discuss/practice with you at home.

Please send the communication folder back tomorrow.

Thank You,  
Ms. Karthi
